As amended and passed unanimously by the  
Washington State Democratic Central Committee on September 21, 2013

---

- 1 I. **Applicability.** These Rules shall apply to the selection of any candidate for public office  
2 who intends to be, the nominee of the Democratic Party, on any general election ballot  
3 used in a publicly financed election or candidate selection process.  
4
- 5 II. **Exclusive Means of Selection.** Candidates and nominees of the Democratic Party for  
6 public office must be selected by one of the means specified in these Rules.  
7
- 8 III. **Democratic Primary.** Where State law provides for a public primary that complies with  
9 these Rules (hereinafter a “Democratic Primary”), candidates and nominees shall be  
10 selected by means of that Democratic Primary; provided that in the event of a vacancy on  
11 the Democratic ticket, the State Chair may fill the vacancy as specified in State law and  
12 applicable Party rules.  
13
- 14 IV. **Rules Governing Democratic Primaries.** A public primary must comply with the  
15 following rules in order to qualify as a Democratic Primary where candidates or  
16 nominees will be selected by means of the primary:
- 17 A. **Separate Democratic Ballot Required.** All Democratic Primaries occurring on a  
18 single date shall appear on the same ballot. The ballot provided to voters in the  
19 Democratic Primaries may not contain the names of any candidate for office who  
20 is affiliated with any other political party, or of no political party, except that the  
21 State may provide to voters a ballot that may be simultaneously used in the  
22 Democratic Primaries and in primaries for offices in which no candidate’s name is  
23 associated with any political party or persuasion, and in such case the ballot may  
24 contain the names of all candidates for such offices.
- 25 B. **Opportunity to Join or Confirm Membership in the Party Must be Provided.**  
26 Voters participating in the Democratic Primary must be offered the opportunity to  
27 publicly affiliate with the Democratic Party but public affiliation with the Party  
28 shall not be a requirement of participation in the Democratic Primary unless such  
29 public affiliation is required by law. As a condition of participating in the  
30 Democratic Primary, voters must either publicly affiliate with the Democratic  
31 Party or publicly indicate that they are not affiliated with any political party.
- 32 C. **Voter Participation is Public Record.** The participation of any voter in the  
33 Democratic Primary shall be a public record to the extent necessary to verify that  
34 only voters eligible under party rules receive a Democratic ballot and, in addition,  
35 the choice by any voter whether to voluntarily affiliate with the Democratic Party  
36 at the Democratic Primary or to declare a lack of affiliation with any political party  
37 shall be a public record.

1 D. **A Statewide System of Voluntary Voter Registration by Party** which allows  
2 voters to publicly affiliate with the Democratic Party shall satisfy the requirements  
3 of Subparagraph B, of this paragraph.  
4

5 V. **Alternative Means of Selection.** Where State law does not provide for a Democratic  
6 Primary that complies with these Rules, including where the so-called "Top Two"  
7 Primary is used, nominees shall be selected in accordance with the following rules,  
8 provided that in the event of a vacancy on the Democratic ticket, the State Chair may fill  
9 the vacancy as provided by State law and other applicable Party rules.

10 A. **Authorization Required.** No candidate for public office may be designated, nor
